## DEATH & GRIEVING

The focus of this seminar will be helping people of any age through the grieving process and thriving even in the face of death. Learning to convey hope during difficult times will be discussed. Offering a vision for the future will be taught as well. Working with people on a vision plan is more accommodating than a treatment plan, and will be demonstrated. Ways to handle questions and answers during difficult times for people of all ages will be highlighted and discussed.

**INSTRUCTOR: MARY LYNN HALL, MA, LPC**

Mary Lynn Hall, MA, LPC, has an established private practice, with more than 20 years of experience as a teacher and school counselor and nearly 40 years as a mental health and substance abuse therapist with specialties in child psychology, crisis intervention and counseling techniques. Ms. Hall was also a consultant to the Arizona Governor's Committee on Child Protective Services and a charter member of the Kansas City Conflict Resolution Task Force.
