

**Missouri Baptist Children's Home
Apple Festival
Quilt Show
Judging Form**

Judging Scale

10 points Very Good
5 points Good
0 points Poor

Design

- _____ Color- Fabrics blend well together. Pleasing visual effect. Fabrics have suitable scale of pattern size to balance well.
- _____ Quilt Design- Unique interpretation of pattern. Borders complement the pattern and ties them together. Border size is proportioned to the quilt size.
- _____ Quilt Back-Fabric coordinates with quilt top. No puckers or tucks. No knots visible. Adequate amount of quilting to hold quilt together.
- _____ Quilting-Pattern enhances overall design. Pattern does not distract from design.

Workmanship

- _____ Piecing- Points, corners, curves, and angles are precise. All seams are well sewn. No holes. Applique' - Matching thread used. Stitching is even with no puckers.
- _____ Quilting stitches are even on top and bottom. No knots are visible. Even tension for machine quilting.
- _____ Finishing- Borders are straight. Binding is even and fabric coordinates with quilt top. Corners are mitered well. Batting fills binding evenly. Thread blends well with quilt.

General Appearance

- _____ Visual appearance is pleasing. All elements and fabrics balance.
- _____ Quilt is clean. No offensive orders. No pet hair visible.
- _____ All markings are removed and no longer visible.
- _____ Quilt hangs well or lies flat when displayed.
- _____ All stray threads are clipped and removed.
