Ozarks Berry Festival 2019

The 2019 Ozarks Berry Festival is an event hosted by Macedonia Baptist Church, Springfield, MO to benefit Missouri Baptist Children's Home. For more information about this event, please call 417-882-6647. Volunteers from other churches in SW Missouri are needed. Please let us know if you are willing to donate a berry cobbler to the Festival.

More and more troubled children and youth of today need to find a "place to find love" than ever before. When the first MBCH Festival was held more than 125 years ago, its main purpose was to raise funds to keep the "Baptist Orphans Home" open. Providing funds for the operation of the Home is still an important part of all three of our annual festivals.

Because Missouri Baptist Children's Home, with campuses located in Bridgeton, Mt. Vernon and Peculiar are primarily supported through private sources, funds to operate the ministry come from the Cooperative Program, endowments, Baptist churches and individual donations. The Cooperative Program provides less than 3% of the annual budget, making the funds raised at the **Ozarks Berry Festival** this year all the more important to the financial needs of the Home.

Crafts, quilts and berry cobblers are just a few of the many reasons why the Festival is a day full of fun, food, and fellowship for the entire family. A variety of handmade crafts and quilts are donated to the Children's Home from all over the state to be auctioned and sold at the Festival. The **Ozarks Berry Festival** committee has decided not to invite outside vendors this year.

Hundreds of individuals and groups from local churches help with parking, serving, cooking food, and a host of other activities to help make the day go smoothly for all of our guests. The Hosea Bilyeu Family will present a Gospel Concert in the sanctuary at 9:00 a.m., and there will be fun activities for children ages 5-12 throughout the day.

Join us for a day of fun while supporting the children at MBCH. We trust that you will enjoy this year's festival. Most activities will be held indoors in our air-conditioned facility. Our facility is completely handicapped accessible and has plenty of paved parking.
