THE LIGHT HOUSE IS AN AFFILIATE OF  
MBCH CHILDREN AND FAMILY MINISTRIES

### *Sanctity of Human Life Sunday*

January is Sanctity of Human Life Month, an opportunity for your church to remember the more than 55 million lives lost to abortion since 1973, while highlighting the ministries of The LIGHT House. January 22nd is the annual anniversary when our country remembers the tragic decision made by the Supreme Court of the United States legalizing abortion. The third weekend in January has traditionally been when churches have honored the sanctity of human life. Since the actual anniversary falls on a Sunday this year, churches across the country will have an option of when to remember and pray for this tremendous cause.

We hope you will join us in prayer and mourning for the loss of more than 55 million babies and the pain suffered by those who are suffering the loss from those decisions.

The LIGHT House is on the front lines, working with young women and their families in sharing the truth about the sanctity of life and in providing the services and ministries necessary to protect life – before and after birth.

Since 1985, The LIGHT House has provided Christ-centered maternity care, adoption services and on-going ministry to young mothers and their babies. The LIGHT House is here to provide love, support and guidance in meeting the physical, emotional and spiritual needs of those experiencing unplanned pregnancies, during all phases of their pregnancies. These ministries provide Christian care – not only for the preborn – but for babies, children, adolescents and teenagers.
