

Quotes

“Many children are unplanned by their parents, but they are not unplanned by God. God’s purpose took into account human error, and even sin.”

Rick Warren—*The Purpose Driven Life*

“Of all the issues I have encountered through all the years I have been engaged in people-related involvements, none are more significant than the sanctity of life and sexual purity. The ground swell of concern surrounding each has made them the inescapable issues of our times. Remaining silent on either is no longer an option.”

Chuck Swindoll—*Sanctity of Human Life: The Inescapable Issue*

“Make no mistake, abortion on-demand is not a right guaranteed by the Constitution. No serious scholar, including one disposed to agree with the Court’s result (referring to *Roe v. Wade*) has argued that the framers of the Constitution intended to create such a right...But the Court’s decision has by no means settled the debate. Instead *Roe v. Wade* has become a continuing prod to the conscience of the nation.”

Ronald Reagan—*“Abortion and the Conscience of the Nation”*

“Every legislature, every doctor and every citizen needs to recognize that the real issue is whether to affirm and protect the sanctity of all human life, or to embrace a social ethic where some human lives are valued and others are not. As a nation, we must choose between the sanctity of life ethic and the ‘quality of life’ ethic.”

Ronald Reagan—*“Abortion and the Conscience of the Nation”*

“Abraham Lincoln recognized that we could not survive as a free land when some men could decide that others were not fit to be free and should therefore be slaves. Likewise, we cannot survive as a free nation when some men decide that others are not fit to live and should be abandoned to abortion or infanticide.”

Ronald Reagan—*“Abortion and the Conscience of the Nation”*

“One thing is certain: When the time has come, nothing which is man-made will subsist. One day, all human accomplishments will be reduced to a pile of ashes. But every single child to whom a woman has given birth will live forever, for he has been given an immortal soul made to God’s image and likeness.”

Alice von Hildebrand—*The Privilege of Being a Woman*

“It is a poverty to decide that a child must die so that you may live as you wish.”

Blessed Mother Teresa

“We must not be surprised when we hear of murders, of killings, of wars, of hatred. If a mother can kill her own child, what is left but for us to kill each other.”

Blessed Mother Teresa of Calcutta

“Conception is the beginning of human life. From the time that an ovum is fertilized a new life begins that is neither that of the father nor of the mother. It is rather the life of a new human being with his own growth. It would never become human if it were not human already.”

Congregation for the Doctrine of the Faith, “Declaration on Procured Abortion,” 1974

“Like an animal caught in a trap, trying to gnaw off its own leg, a woman who seeks abortion is trying to escape a desperate situation by an act of violence and self-loss. Abortion is not a sign that women are free, but a sign that they are desperate.”

Frederica Mathewes-Green— *Abortion: Women’s Rights and Wrongs*

“The answer to a crisis pregnancy is to eliminate the crisis, not the child.”

Frederica Mathewes-Green— *“Marchers Don’t Speak for Many Women”*

When the time comes as it surely will, when we face that awesome moment, the final judgment, I’ve often thought, as Fulton Sheen wrote, that it is a terrible moment of loneliness. You have no advocates, you are there alone standing before God and a terror will rip through your soul like nothing you can imagine. But I really think that those in the pro-life movement will not be alone. I think there will be a chorus of voices that have never been heard in this world but are heard beautifully and clearly in the next world and they will plead for everyone who has been in this movement. They will say to God, “Spare him because he loved us,” and God will look at you and say not, “Did you succeed?” but “Did you try?”

Former U.S. Congressman Henry Hyde

“...we don’t have to sacrifice human life in order to research ways to save it.”

U.S. Congressman Phil Gingrey, M.D.

” When we consider that women are treated as property, it is degrading to women that we should treat our children as property- to be disposed of as we see fit”

Elizabeth Cady Stanton

“I’ve noticed that everyone who is for abortion is already born.”

Ronald Reagan

I feel the greatest destroyer of peace today is "Abortion", because it is a war against the child... A direct killing of the innocent child, "Murder" by the mother herself... And if we can accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love... And we remind ourselves that love means to be willing to give until it hurts...

Mother Teresa

"We fed the public a line of deceit, dishonesty, a fabrication of statistics and figures. We succeeded because the time was right and the news media cooperated. We sensationalized the effects of illegal abortions, and fabricated polls which indicated that 85 percent of the public favored unrestricted abortion, when we knew it was only 5 percent. We unashamedly lied, and yet our statements were quoted [by the media] as though they had been written in law."

Dr. Bernard Nathanson, Co-founder of National Assn. for Repeal of Abortion Laws, now called National Abortion Reproductive Rights Action League.

"If only one-third of those who have been aborted were available to start working on their 18th birthday, the demise of Social Security would be put off for decades."

USA Today

"In America, 1 out of 4 babies is killed by abortion. Look around a playground. For every 3 children you see, a fourth is missing. Fifty million of our neighbors, friends, nieces, nephews, and grandchildren are missing. Our society has now lost 25 percent of the new generation."
